CONSULTANT AND ORGANIZATIONAL RESEARCHER

I am an industrial-organizational psychology researcher, instructor, consultant, and current Ph.D. student at Hofstra University. My research interests center around recruitment, focusing on applicant decision-making and person-organization fit. As a consultant, I have worked on projects for clients ranging from small cities to the *Fortune* 500 regarding job analysis, competency modeling, program evaluation, 360-feedback, and organizational surveys.

WORK EXPERIENCE

TALENT METRICS, LLC, New York, New York

2019-Present

➤ Consulting Research Intern

- Published white paper on member location and brand reputation for the Association of Talent Development; built location heat maps and ran descriptive and inferential statistics in R, visualized data with ggplot.
- Facilitated to 50+ city employees across 4+ departments the delivery of a new competency-based performance management system built through rigorous job analysis.
- Built and delivered a virtual leadership training program directed at professionals working to navigate the COVID-19 and post-COVID-19 world.
- Analyzed pre/post-training data and generated insight report on 360-degree feedback for a set of executives at a large public teaching hospital.
- Assisted in the delivery of sexual harassment training to 200+ employees at publicly traded pharmaceutical company.
- Conducted needs analysis with key stakeholders on project regarding “The Future of Work” for an American *Fortune* Global 500 company.

HOFSTRA UNIVERSITY, Hempstead, New York

2018-Present

➤ Ph.D. Researcher

- Designed and executed novel industrial-organizational psychology experiments to test job seeker decision-making.
- Performed descriptive and inferential statistical analysis on datasets using SPSS, R, JASP, and Jamovi; cleaned datasets in Excel.
- Collaborated with faculty and cohort to synthesize ideas into working projects; set deadlines to ensure project completion.
- Presented work at local, national, and international scientific meetings.

HOFSTRA UNIVERSITY, Hempstead, New York

2019-2020

➤ Adjunct Instructor of Psychology

- Planned, organized, and lectured an introductory psychology course to undergraduate students (Fall 2019, Spring 2020).
- Encouraged a psychologically safe environment where students can engage in open communication and receive positive feedback and support.
- Coordinated and met with students outside of class to ensure the achievement of their goals.
- Worked with students and supervisors during the COVID-19 outbreak to ensure a smooth transition from the intended face-to-face environment to the virtual classroom.
